# AGRIFOLD PRODUCT INFORMATION

## HOW ARE OUR PALM LEAF DINNERWARE MADE ?

- a. Naturally fallen palm leaves from Areca palm tree farms are gathered
- b. The collected leaves are washed, cleaned & sun-dried
- c. The dried leaves are then subjected to heat moulds & compressed to create designer shapes & sizes
- d. The finished dinnerware are then sterilised
- e. Final Products are then packed to be made available for your dining
- f. No chemicals, waxes or artificial coatings are used in the process of making these dinnerware
- g. The Dinnerware remains 100% natural with its natural textures, colours and shade-tints

## FEATURES OF OUR PALM LEAF DINNERWARE

- a. Natural Crockery for dining
- b. Elegant & Upscale look & feel that retains a good dining experience despite being a disposable product
- c. Natural colours, textures & shade-tints
- d. Each plate, tray, bowl and other items' finish is unique to the palm leaf used in its making
- e. Thick & Sturdy for fork & knife
- f. Lightweight, Portable & Travel-friendly
- g. All-weather & All-climate product
- h. Suitable for both indoor & outdoor dining

## USES OF OUR PALM LEAF DINNERWARE

- a. Has widespread use across homes, parties, events, conferences, travels
- b. Retains dining elegance even for cafes, restos, kiosks, street food joints etc.

- c. Is leakproof & can be used to serve both hot & cold food & liquids
- d. Stands up to steak fork & knives as well
- e. Replaces the need for dishwashing of conventional crockery in large gatherings, parties, events etc.
- f. Is easy to dispose & remains eco-friendly through biodegradation; a great replacement to Plastics & Thermofoam

#### BENEFITS & IMPORTANCE OF OUR PALM LEAF DINNERWARE

- a. Is a 100% natural leaf product
- b. Biodegradable & Compostable
- c. Chemical free product
- d. Safe for food contact
- e. Microwave safe
- f. Freezer safe
- g. Alternative to plastics & thermofarm products
- h. Alternative to save washing water for conventional crockery during parties, events, festivals etc.
- i. Is an eco-friendly product & hence drives Sustainability
